Programme Pedagogies

#Q4

#Q9

- What logistic challenges did you face setting up the programme? And the partnerships? Are there any ongoing additional challenges? So, if you were to give anyone thinking about setting up a post-secondary programme in partnership with a correctional institution, what words of advice would you offer, based on your experiences?

Programme Impacts

#Q10

- What do you think have been the key impacts of the programme?

#Q11
